PRESENTS THE FREE-RIDE BIKE CARRIER YOU NEED

(patented system)

**ALLOWS THE CARRING OF A BIKE
FROM 20 to 25 KG**

FITS ALL LIFTS (2, 4 , 6 places)

Advantages :

1. No effort to deliver by the working staff by loading or unloading the bikes
2. Fits all bike sizes (adults, children, free-ride bikes etc ...)
3. Small weight of the device (10 kg +/- 3 % according to lift and not very big (300 mm length)
4. Because of its small weight the customer can travel together with his bike
5. The used materials provide to the bike a perpetual life duration
6. The conception of bike-carrier can reduce the storage area during winter season

**THE FRONT SPOOT
CAN BE USED AS AN ADVERTISING SUPPORT
FOR THE RESORT**
