This action, organized by the **Savoy Chamber of Commerce and Industry**, which manages the **CIM Cluster**, aims to stimulate the mountain sector by giving to the French companies the possibility to reinforce their presence on the Outdoor Event. It is supported by the **Rhone-Alps Region** and the French State through **Ubifrance**.

Discover all these companies and their innovations in the enclosed **film** and **press files**

## Rhone-Alps Clusters

**New synergies for inventing the industry of tomorrow**  
**Rhone-Alps, the world famous area for mountain, sports and leisure activities**

**Cluster = companies, laboratories and training centres grouped together in a network in order to develop products that are innovative, successful and create jobs**

### Sport- and Mountain Industry in Rhone-Alps:

500 companies

110 000 jobs

185 ski resorts

20 % of the European skiing domains

40 % of the international clientele

See you at OutDoor 2009
